

Join us April 4th and 5th! **Building Partnership Skills Workshops**

SKILLS TO HELP FAMILIES ENGAGE IN SYSTEMS LEVEL CHANGE **Serving on Groups Train-the-Trainer Workshop** **April 4, 9:00am-5:00pm**

This interactive workshop is **for family-led organizations** who build leadership of families of children/youth with special health care needs. Learn skills to train families who currently serve or want to serve on a decision-making group. Areas covered include: group processes, useful tools for groups, understanding data, the role of families in groups, and skills to maximize group participation. Additional modules include Telling Your Story to Make a Change & Engaging Diverse Families in Systems Change.

SKILLS TO HELP GROUP LEADERS ENGAGE FAMILIES **Leading by Convening Workshop** **April 5, 8:30am-4:00pm**

This interactive workshop provides skills and strategies to: engage all team members, including diverse parents, on key issues; build support for shared work; address the adaptive, or relationship-based, aspects of change; and achieve improvement goals! This workshop is **particularly targeted to leaders of groups, such as Title V staff**, and also relevant for family organizations who want to encourage and support group leaders in effective family engagement.
