

I can't do my telemedicine visit because...

I NEED INTERPRETATION SERVICES

WHAT DOES THIS MEAN?

This means that English may not be your first language or language of choice. Therefore, you need interpretation services to partner with your healthcare provider and receive appropriate healthcare.

WHO CAN HELP?

- Your provider
- Your Family-to-Family Health Information Center
- Your family members
- Your child's school

WHAT ARE MY NEXT STEPS?

- Talk to or plan with your provider about what interpreter services you need in order to participate in your telehealth visit.
- Contact your Family-to-Family Health Information Center

WHERE CAN I LEARN MORE?

- Family Voices' Nuts and Bolts of Telemedicine Webinar: Your Family's First Telemedicine Appointment
- ASL video on interpreter services
- Utilizing Google Translate in a pinch
