

*Families as Partners Shaping
the Future in Times of Crisis*

SPONSORSHIP OPPORTUNITIES

Your **Family Voices 2021 Leadership Conference Sponsorship** will reach family leaders and our professional partners from around the country, demonstrating your commitment to children and youth with special needs (CYSHCN) and disabilities and their families.

The ***Families as Partners Shaping the Future in Times of Crisis*** conference will be held virtually on **June 8, 10, and 15, 2021**. Family and youth leaders, Title V staff, pediatric providers, children's hospitals, researchers, and other CYSHCN stakeholders from across the states, territories, and tribal communities will share promising practices in sessions promoting health equity, supporting families during the pandemic, implementing telehealth, engaging families and youth, impacting policy, organizational development and communication strategies. The conference will focus on strengthening leaders and enhancing family engagement in health care for individual families and at the program and policy level.

Your sponsorship at the Breakout level or above will include visibility during conference sessions as well as before and after the conference, and will include opportunities for communication with conference participants. We welcome you to sponsor the full conference, one of the conference events or sessions, or one or more scholarships for family participants.

Your Sponsorship will:

- Support the core work of Family Voices, keeping families at the center of children's health care
- Ensure that conference registration fees are affordable
- Provide scholarships to fund conference participation of underserved family and youth leaders
- Recognize your organization as a valuable supporter of Family Voices

Please celebrate the important work of Family Voices by participating in and sponsoring our conference! Details of the sponsorship opportunities are below. Please contact Nora Wells at 781-879-6209 or email nwells@familyvoices.org and scandio@familyvoices.org with any questions. We are happy to work with you.

Thank you for your support!
