Human Development  
A University Center for Excellence in Developmental Disabilities

## Join the Youth Steering Committee

**Diverse youth leaders will help create the National Health Care Transition Resource Center for Youth and Young Adults with Intellectual and Developmental Disabilities.**

Apply to be part of the Youth Steering Committee if you:

- Are age 16-26
- Have an intellectual or developmental disability
- Want to make a difference in healthcare

- 
- **Leadership opportunity**
  - **1-2 hours per month**
  - **2-year term**
  - **Stipend of \$600 per year**

The transition from childhood to adulthood can be tough. The new center will help youth learn to direct their own healthcare.

**Application deadline is February 21, 2022.**
