

Family Leadership Conference 2022

Moving Forward: Embracing Change and Transformation

SPONSORSHIP OPPORTUNITIES

Your sponsorship of the **Family Leadership Conference 2022** will help Family Voices reach family leaders and our professional partners from around the country, demonstrating your commitment to children and youth with special needs (CYSHCN) and disabilities and their families. For the first time this year, the Family Voices Leadership Conference is being hosted jointly with the Parent Centers and the Parent Technical Assistance Centers who help families around the country navigate special education systems.

The conference will be held online and in person at the Hyatt Regency Washington on Capitol Hill, October 18-20, 2022. Family and youth leaders, Title V staff, pediatric providers, children’s hospitals, researchers, and other CYSHCN stakeholders from across the states, territories, and tribal communities will share promising practices in sessions focused on:

- Health equity/racial justice
- Impact of COVID-19
- Partnership building
- Language access
- Mental health
- Family and youth engagement
- Organizational development
- Transition
- Impacting policy

Your Sponsorship will:

- Support the core work of Family Voices, keeping families at the center of children’s health care
- Ensure that conference registration fees are affordable
- Provide scholarships to fund conference participation of underserved family and youth leaders
