

# Family Engagement Work Group

Family Voices is learning about what family engagement means to family leaders all over the country who want to improve health care.

## What Work Group Members Do

- Meet virtually each month from July 2023 to May 2024
- Work with Family Voices to learn about what works best to engage families in improving care
- Learn about barriers to family engagement
- Plan and conduct focus groups with families and professionals
- Help prepare a survey to learn more about what we hear from the focus groups

## Selecting Your Organization's Representative

### We are looking for:

- People with lived experience as a caregiver of a child with special health care needs or a disability
- People who can attend virtual meetings and participate in discussions about improving family and youth engagement in care (disability accommodations are available).

Work Group members are paid \$135 every month for their participation.
