

Youth Engagement Work Group

Family Voices is learning about what youth engagement means to youth leaders all over the country who want to improve health care.

What Work Group Members Do

- Meet virtually each month from July 2023 to May 2024
- Work with Family Voices to learn about what works best to engage young people in improving care
- Learn about barriers to youth engagement
- Plan and conduct focus groups with other young people
- Help prepare a survey to learn more about what we hear from the focus groups

Selecting Your Organization's Representative

We are looking for:

- Young people aged 16-26 who have lived experience with special health care needs or a disability.
- Young people who can attend virtual meetings and participate in discussions about improving family and youth engagement in care (disability accommodations are available).

Work group members will be paid \$135 each month for their participation.
