

Grow your leadership. **Strengthen your impact.**

You're an expert at navigating the health care system on behalf of your child or family member with special health care needs or disabilities.

Join Family Voices for **From Me to We**, a year-long online leadership development program to help you develop systems-level leadership skills and pave a career path in family leadership.

From Me to We 12 interactive online sessions

What you'll gain

- Leadership skills
- Connections with other family leaders
- Tools to help improve systems for families
- Greater confidence to speak up and share your perspective
- A certificate of completion

Program highlights

- Fall 2026 to summer 2027
- 12 monthly one-hour online sessions
- Hands-on activities
- A supportive learning community
- A capstone presentation to showcase your leadership

Who should apply?

Parents, family members, or caregivers of children and young adults with disabilities or special health care needs who:

- Are interested in broadening their impact
- Want to connect with like-minded individuals

Apply online by August 24, 2026
